More details regarding the Senior Discount are at <https://ridgefieldschools.org/senioronly.html>

Registration Deadline and Payment: You may register by mail or phone. Payment in full must accompany your registration, which must be paid in advance. We decide whether or not to run a class at least 3 days before the first class (some teachers need a decision sooner) based on the number of people who have paid their tuition. Don't let a class be cancelled due to participant procrastination. Checks (preferred to keep costs down), money orders, Visa and MasterCard are accepted. A non-refundable service / convenience fee for Visa or MasterCard payment will be added to your charge total as follows: \$2.95 (subtotal thru \$97), 2.99% (subtotal from \$98 up) per person, per order. There is a \$20 service fee for returned checks.

Confirmation and Cancellation: No news is good news. If you have paid your tuition, assume you are enrolled. When you register, we assume that you have put the course date, time, and location on your calendar and have reconciled potential conflicts before you register. Please include an accurate and legible phone number and email address so that we can contact you if a course is canceled, full, or relocated. An email address is necessary to enable us to send you your Zoom link the night before class.

Weather / Power Postponement: If regular school classes are canceled due to weather/power issues, in person Continuing Education classes are postponed. See www.ridgefield.org and look for an email with information. Zoom and Hybrid classes and classes with Zoom backup may continue on Zoom if possible. If school has "early dismissal", Continuing Education classes that start at 1:00 p.m. or later are postponed to the next class. If school has a "delayed opening", classes that start before 9:30 a.m. are postponed to next class. Classes that start at 9:30 a.m. or later will proceed as scheduled. Make-ups due to weather / power postponement, are normally added to the end of the session or an open date in the schedule; check the web site and your email for details.

Refunds: You will obtain a full tuition refund when Ridgefield Continuing Education cancels a class or the class is full. If you are requesting a tuition refund, we must receive your request in writing (letter or email) five days before a class starts and we will withhold a \$15 withdrawal fee per class from the amount refunded. Students assume all risk of changes in their personal schedules. Absence from the class does not reduce the cost of operating our programs. Class sessions may be rescheduled due to unexpected circumstances; refunds will not be issued to students unable to attend a rescheduled make-up class (including makeup classes online). Refunds will not be issued to students who do not want to comply with public health requirements, when needed. Medical refunds only (less a \$15 withdrawal fee) will be pro-rated for the remainder of the session when verified by a physician's note. The tuition refund is calculated on the date a written cancellation notice is provided, not on the date of the last class attended or missed. Refunds are not available to people who register less than 5 days before a class starts. Refunds take 4 to 6 weeks to process.

Disabled Access: Buildings have disability access. **Ridgefield Public Schools Nondiscrimination Statement:** Statement is on page 7 and <https://ridgefieldschools.org>

World War I, Versailles, and Aftermath

The assassination of Archduke Ferdinand of Austria in June of 1914 triggered a chain of events that culminated in a 4 year global war. By its end, three empires had collapsed, European society had been irrevocably changed, and a new map was drawn. When hostilities ended in 1918, the peacemakers faced enormous challenges. The geopolitical face of Europe been irrevocably changed by the war; there were cries for revenge and retribution; and a delicate new balance of power had to be established. How World War I come about? Was it inevitable? What were the primary goals of "the big 3" - Georges Clemenceau, Lloyd George, and Woodrow Wilson at Versailles? Were the seeds of World War II indeed planted in the ensuing peace treaties? This course will cover the alliances, personalities, and political ideals that shaped the course of events of World War I and its aftermath. Instructor: Nancy Maxwell.

What was the appeasement policy of the 1930's? An examination of these events as well as the stages, operations, and theaters of the war will help us understand how the very alliance that secured victory over the Axis powers evolved into the deadly arms race and threats of the ensuing Cold War.
